To my Brethren and Sistren of The Church of Haile Selassie I,

I greet you in the name of His Imperial Majesty Emperor Haile Selassie I. I want to say a brief thank you to the Levites that carried out The Church Liturgy, especially Priest in-charge, Liel.

The service was at capacity where I recognized some familiar faces and some new faces. It was a beautiful service with the Levites representing as servants to His Imperial Majesty Haile Selassie I, in regal stature.

May you continue to be blessed for the respect and honor accorded to our God and King.

JAH Guide and Protect,

Michael
